

# FINAL TAXI RANK ON STATION ROAD OPENING 21 OCTOBER 2015

We're pleased to inform you that the final location for the Station Road Taxi rank has been brought forward and will be in operation from 21 October 2015.

Taxis will access the new Station Road rank via Lewisham Road and rank along the right-hand side of the newly opened Station Road and exit via Loampit Vale.

The new and final taxi rank location will be clearly signposted outside the station and across our site.

The move takes us another step closer to completing Lewisham Gateway's new road layout, which is due to be complete by spring 2016.

# Q&A

**Q. How many places will there be for taxis?**

**A.** There will be space for 19 taxis.

**Q. How will I access the new and final rank?**

**A.** Access will be via Lewisham Road and exit via Loampit Vale. Taxis, will rank on the right-hand side of the road.

**Q. How will customers get to the rank?**

**A.** All of Station Road will be open to pedestrians, meaning they can easily walk to the rank from the stations and the town centre.

**Q. Can taxis rank on the left-hand side of Station Road?**

**A.** No, taxis will not be able to rank on the left-hand side of Station Road. It has been designated for buses once the final road layout is complete in spring 2016.
